

FILM PROGRAM

Charge 2

2020, Canada, 4 minutes

Filmmaker: Anthony Bonello, Mike Douglas, Mike Gamble, Switchback Entertainment

Five top freeskiers and one World Champion drone pilot go cat skiing in BC for a week. Their instructions: charge as hard as you can everyday.

Where I Belong

2019, USA, 9 minutes

Filmmaker: Chris Cresci, Greg Balkin, Wondercamp

Chris Hill, an environmental lobbyist and angler, never saw people like herself on the river until recently. Through social media platforms like Instagram, traditionally underrepresented voices are creating communities to encourage one another and amplify their message – we belong here too.

Far Far Est

2020, Canada, 8 minutes

Filmmaker: Zacharie Turgeon

Most students spend spring break soaking up sun on the beach, but not Charles and Olivier. The duo show us how much fun you can have skiing and surfing on the North American east coast, instead of chasing the sun.

Running the Roof (Tour Edit)

2019, UK, 45 minutes | Advisory: Coarse language, nudity

Filmmaker: Alexis Tymon, Ben Crocker, Jody Bragger, Sourcy Film

This is a story without finish lines or medals. Instead, it's about what happens when you trust in nothing but your own two feet to carry you across one of the last truly wild landscapes on earth.

Voice Above Water

2020, USA, 12 minutes

Filmmaker: Dana Frankoff, Eric Ebner, Turning Tides Films

This is the story of Wayan, a 90-year-old fisherman who can no longer fish because of the amount of plastic piling up in the ocean. Instead he uses his fishing boat and net to pull trash from the water in hopes of being able to fish again.

Madman Trails of Bhutan

2020, Canada, 4 minutes

Filmmaker: Scott Secco

Join Wyn Masters, Cody Kelley, and Florent Poilane as they explore Bhutan by bike.

Free as Can Be

2020, USA, 31 minutes | Advisory: Coarse language

Filmmaker: Samuel Crossley, Justin Sweeney

When Jordan Cannon, a young climber infatuated with climbing history, meets climbing legend Mark Hudon, he commits to helping Mark accomplish his lifelong goal of free-climbing El Capitan.

One Star Reviews: National Parks

2020, USA, 1 minute

Filmmaker: Alex Massey, Dalia Burde, Avocados and Coconuts

They say National Parks are America's greatest idea. A symbol of excellence and inspiration. Well for some... there's still plenty of room for improvement!
